

SUMMER SCHOOL 2011 AT MOMA PS1

SECOND HOMEWORK ASSIGNMENT (optional)

Following last class's conceptual homework assignment, this week's class will focus on production.

Please watch *My Own Private Idaho* (available on NetFlix or your local rental store) and create your own three-minute version/edit/trailer of the film.

After a review of the submissions, some will be screened during the class and could possibly be on view afterward at MoMA PS1.

Please deliver your project to MoMA PS1 on DVD or mail it to arrive by the due date.

Due date: **Wednesday, August 17th**
